### Is an Extension of the Tourist Residence Permit Possible?

Under the new application, foreigners who got a residence permit for touristic purposes cannot ask for an extension on touristic grounds. They must submit an extension request for several reasons.

### Student Residence Permit Extension

## Residence Permit Extension in Turkey

To apply for a student residence permit extension, the educational institution must provide a stamped-signed/E-signed document. For each year that the schooling is prolonged, a one-year extension is possible. In other words, although the agreement specifies a two-year education period, a one-year extension may be requested; a new application must be submitted the following year.

Participation in a Turkish language learning program without any participation in an associate degree/degree/degree/doctoral bachelor's master's degree program is ineligible for a residence permit extension.

Students who transfer to the open education program are ineligible to petition for an extension of their residence visa.

### Extended Family Residence Permit

Individuals having a family residence permit whose duration is expiring must additionally apply for a residence permit extension within the allotted time frame. The duration asked for this extension may vary.

The marriage certificate is one of the documents that must be attached while extending the Family Residence permit. If this document was obtained in Turkey, a certified photocopy must be submitted; if it was obtained from another country, a certified translation must be submitted. In addition, these documents must be supplied if there has been a change in the family structure (birth, death, divorce, etc.).

### The following are the primary requirements for extending a Family Residence Permit:

- The sponsor and all family members are required to have health insurance.
- The entire family income can provide more than one-third of the federal minimum wage for each individual.
- It is documented that no crime has been committed in the past five years.
- The parties to the family reunification either live together or demonstrate their intent to live together.
- Spouses must be at least 18 years old in order to submit extension petitions on their behalf.
- The actuality of the marriage should be clear and should not be fabricated solely for the purpose of issuing a residence permit.
- But, Family Residence Permit Extension Requests may also have negative outcomes. The reasons for the unfavorable outcomes could be any of the following.

The standards listed above for a family home permit are not met,

The previously granted residence permit means it has been used in a manner inconsistent with the intent for which it was issued.
